

TRAFFIC ADVISORY

July 13, 2017

Parking Restrictions – Sydney RibFest

Cape Breton Regional Police remind motorists of parking restrictions near Open Hearth Park in Sydney this weekend, to help alleviate traffic congestion and ensure motorists and pedestrian safety during the Sydney RibFest event.

Beginning at 11:00 AM Friday, July 14th, through to 7:00 PM Sunday, July 16th, no street-side parking will be permitted on Ferry Street or Stable Drive.

Parking is available at Open Hearth Park, in addition to a designated drop-off and pick-up zone. Accessible parking is available near the Open Hearth Park entrance on Ferry Street; cars parking here must show a valid Accessible Parking Permit.

**All parking areas are detailed in the attached map. Any vehicle in violation of parking restrictions in place for this even will be ticketed and towed at the driver's expense.

Additionally, if you'll be driving through this area Saturday morning, July 15th, please pay extra attention for participants of the 1st Annual Sydney RibFest 5K Run! Between 10:00 and 11:00 AM, runners will follow a route primarily through the Open Hearth Park trail system, but also including crossing points across Ferry Street.

Further event information is available on the Sydney RibFest Facebook page or website (www.sydneyribfest.ca).

Thank you in advance for your cooperation!
